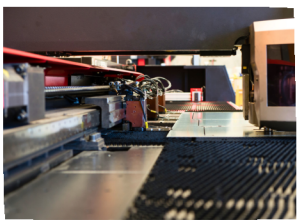
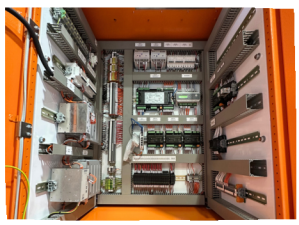
AUSSIE SWITCHBOARDS





WE SPECIALISE IN THE DESIGN AND MANUFACTURE OF LOW VOLTAGE POWER DISTRIBUTION BOARDS, MAIN SWITCHBOARDS, METER PANELS AND MOTOR CONTROL CENTRES.

Aussie Switchboards have been delivering quality electrical switchboards for over 20 years. We consist of 60 staff based at our Gold Coast manufacturing facility, offering a full turnkey switchboard experience. With over 100 combined years of experience, we have gained knowledge and abilities that distinguish our products from the rest to give you and your customer a superior product.

METER PANELS

Whether you need metering for residential or commercial projects, we have solutions to suit all your practical installations. We provide a range of stock dimension boards ranging from simple duplex with supply authority wiring, to large customised metering with 30+ embedded network meters.
